## Optometrist: Full Scope Private Practice located in North Raleigh, NC

Our client's practice specializes in full-scope vision management and is known for using state-of-the-art diagnostic equipment to keep diligent track of their patients' eye health. The ophthalmology practice is conveniently located in North Raleigh, NC, just off 540 and close to Crabtree Valley Mall.

### About the Optometrist Position

The Practice is looking for a dedicated Doctor of Optometry with strong diagnostic skills and a passion for delivering patient-centered primary eye care. The role allows you to see patients with a wide variety of pathology and refractive needs. Experienced ODs and New Grads welcome.

#### As an optometrist in our practice, you will be expected to:

- Perform comprehensive eye exams
- Prescribe corrective lenses
- Handle eyecare emergencies
- Dry eye treatments
- Diagnose and assist in the treatment of ocular disease
- Build strong doctor-patient relationships
- Pre / Post surgical care

We reward our doctors well and will provide a competitive salary, commensurate with experience and a production/incentive bonus plan, as well as benefits such as:

- Medical/dental/vision insurance
- Malpractice
- 401K, voluntary life & disability insurance
